**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I despise being bundled and forced into any type of contract for my internet service, where the price hikes after the promotion period ends or I had to pay an exorbitant amount just for the Internet service without any other bundled service like TV or cellular. Broadband is crucial for me and everyone in the modern day. Please keep the environment friendly for competitive providers to stay in business. It is your responsibility to act in the best interest of consumers/taxpayers, not the interest of big uninnovative monopolies.
